## IN MEMORIAM

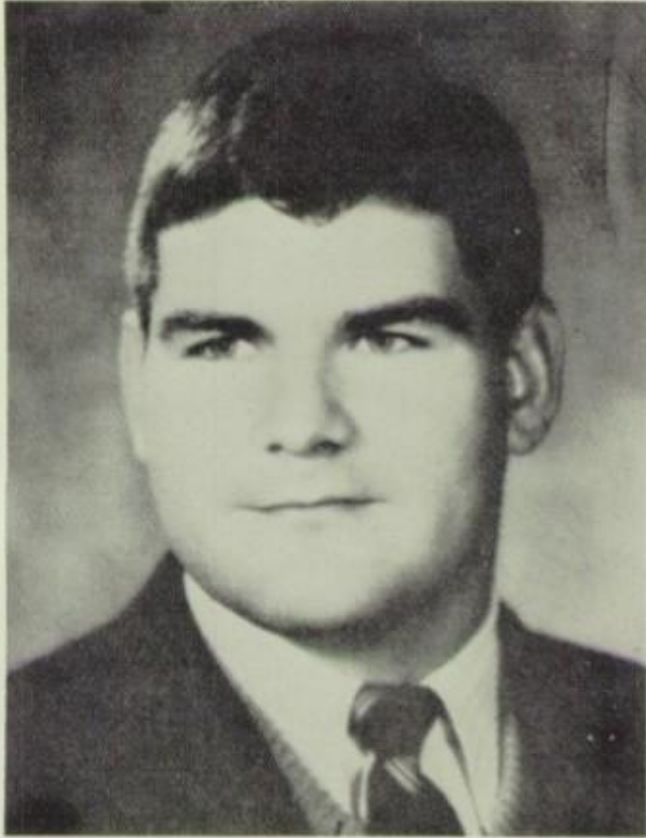

We, the class of 1974, feel it is most fitting that Mr. Raymond Setter be remembered in our yearbook, the Builder.

A sudden death in the family is always painful, but the important fact to remember is the worry free life he will lead in the hereafter.

By keeping a thought such as that in our minds, death is easier to accept and life easier to bear.

# DEDICATION

We, the graduating class of '74, dedicate our Builder to Mr. Larry Morgan.

Over the years, various editions of the Builder have been dedicated out of appreciation and kindness, etc. But this year we are dedicating our edition to Mr. Morgan, out of love and respect for a man who is not only a good teacher and coach, but a loyal friend, who always has an open mind and patience enough to listen and do his best to help; even if it means sticking his own neck out.

Even after we graduate, we will long remember the happy and sad, the serious and funny, kind and understanding ways of our BEAR, Mr. Morgan.

## A dense collage of black and white photographs of children from infancy to early childhood. The photos show various activities: playing, sitting, standing, and interacting with objects. Notable images include a child in a striped shirt, a child in a white dress, a child in a patterned shirt, and a child in a white shirt and tie. The collage is arranged in a grid-like fashion with overlapping edges.

Friends:

As our years at St. Joseph Central come to a close, we the class of '74 must accept the responsibility which lies ahead for us. Our responsibility is to reach out and help our fellow man. We feel certain this responsibility will not be taken lightly, for we have already captured in ourselves the essence of this bright ideal.

Four years is a long time; time enough to learn, understand, and REACH OUT. Now our opportunities for these attributes have widened as we step out in the world. Now we can REACH OUT and help one another and try to make this world a better place. We leave this school reluctantly, but at the same time in great anticipation of the years to come.

As we enter into tomorrow, we have great dreams and high expectations. If we are careful not to set a limit on our achievements, we can make our dreams come true. Keeping this in mind, let us move forward with strong and active faith in a sincere effort to REACH OUT to others.

## FRIENDS WITH YOU

What a friend we have in time  
Gives us babies, makes us wine  
Tells us what to take and leave behind

Baby's days are never long  
Mother's laugh is baby's song  
Gives us all the hope to carry on

Half the gift of growing old  
Is the stories to be told  
Of the feelings more precious than gold.

Friends I will remember you  
Think of you and pray for you .  
And when another day is through  
I'll still be friends with you.

# ORGANIZATIONS

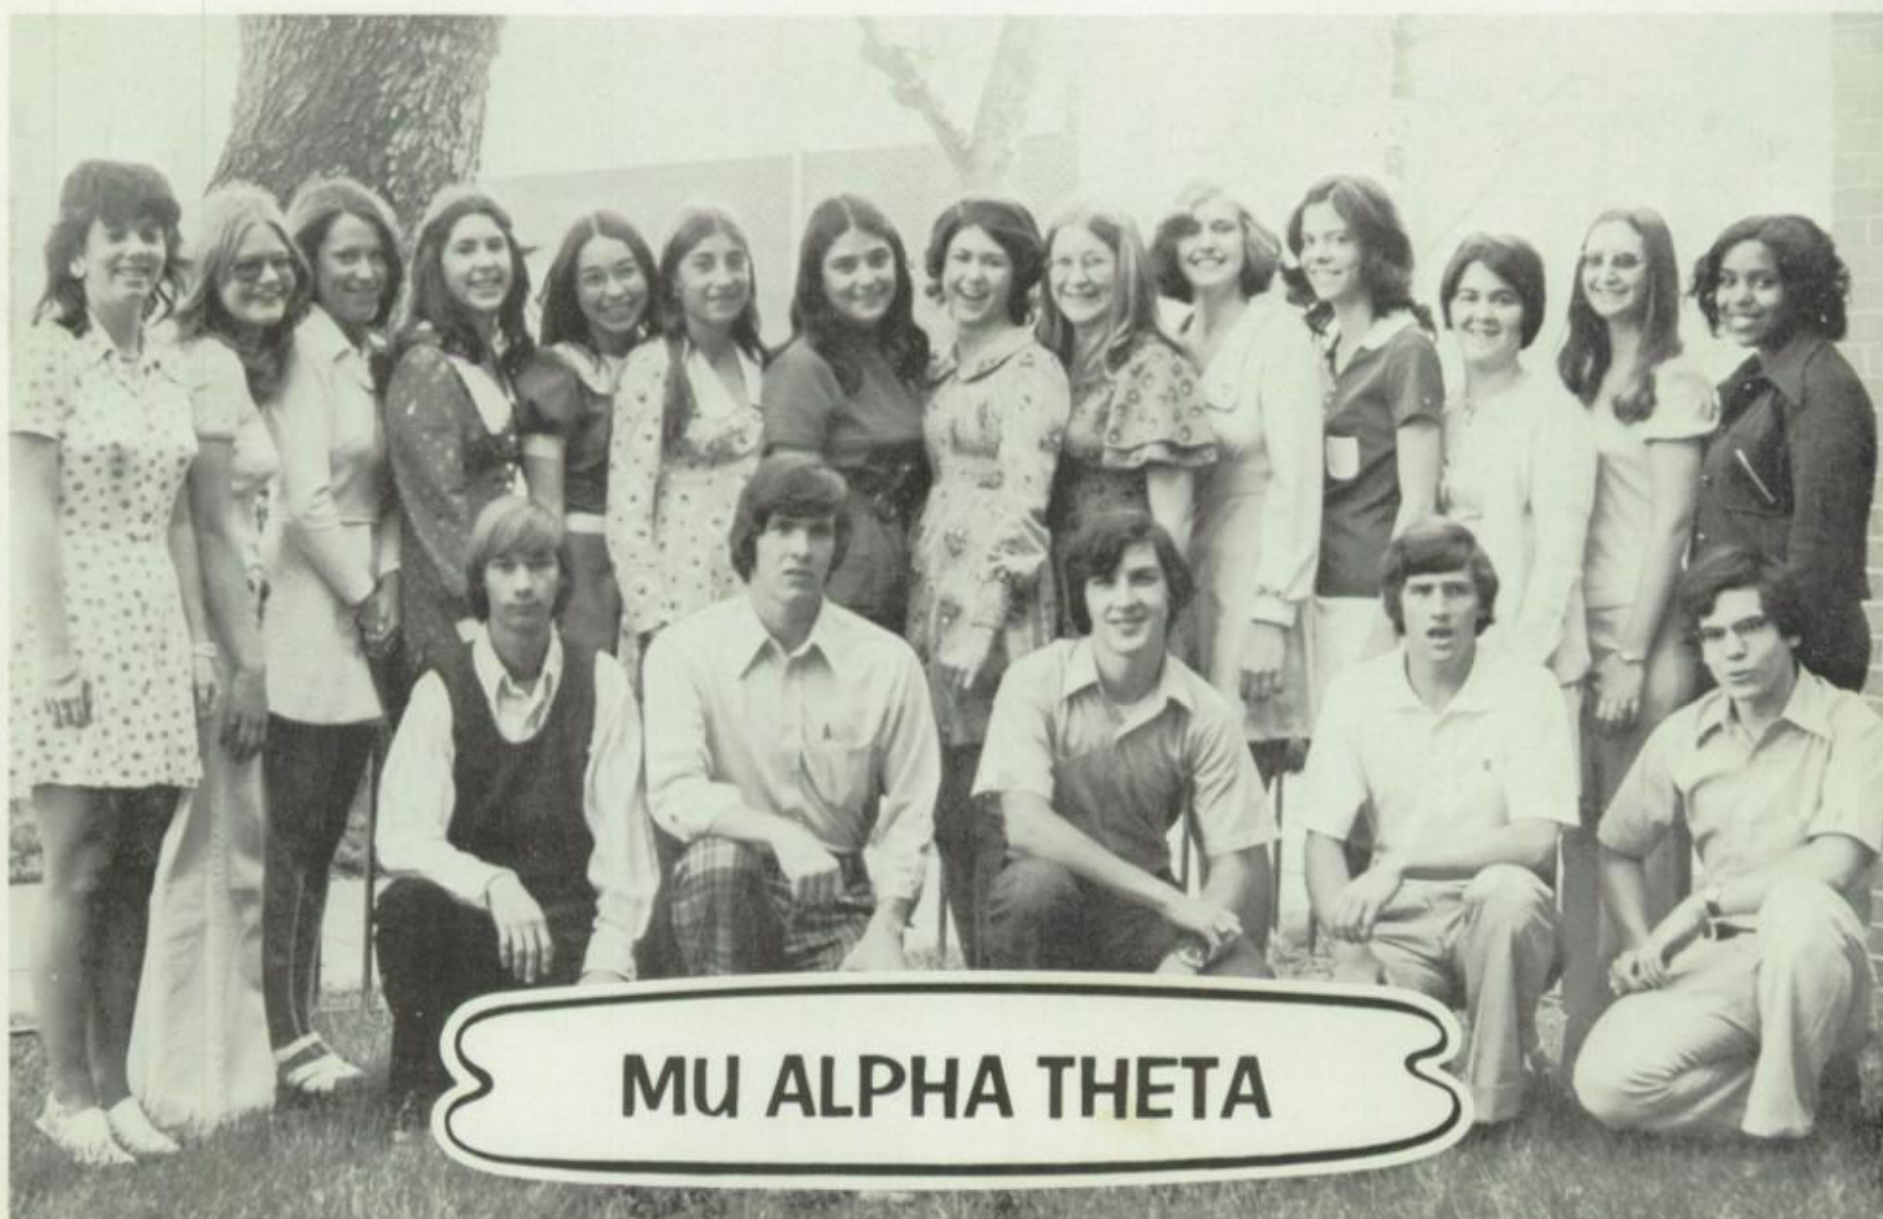

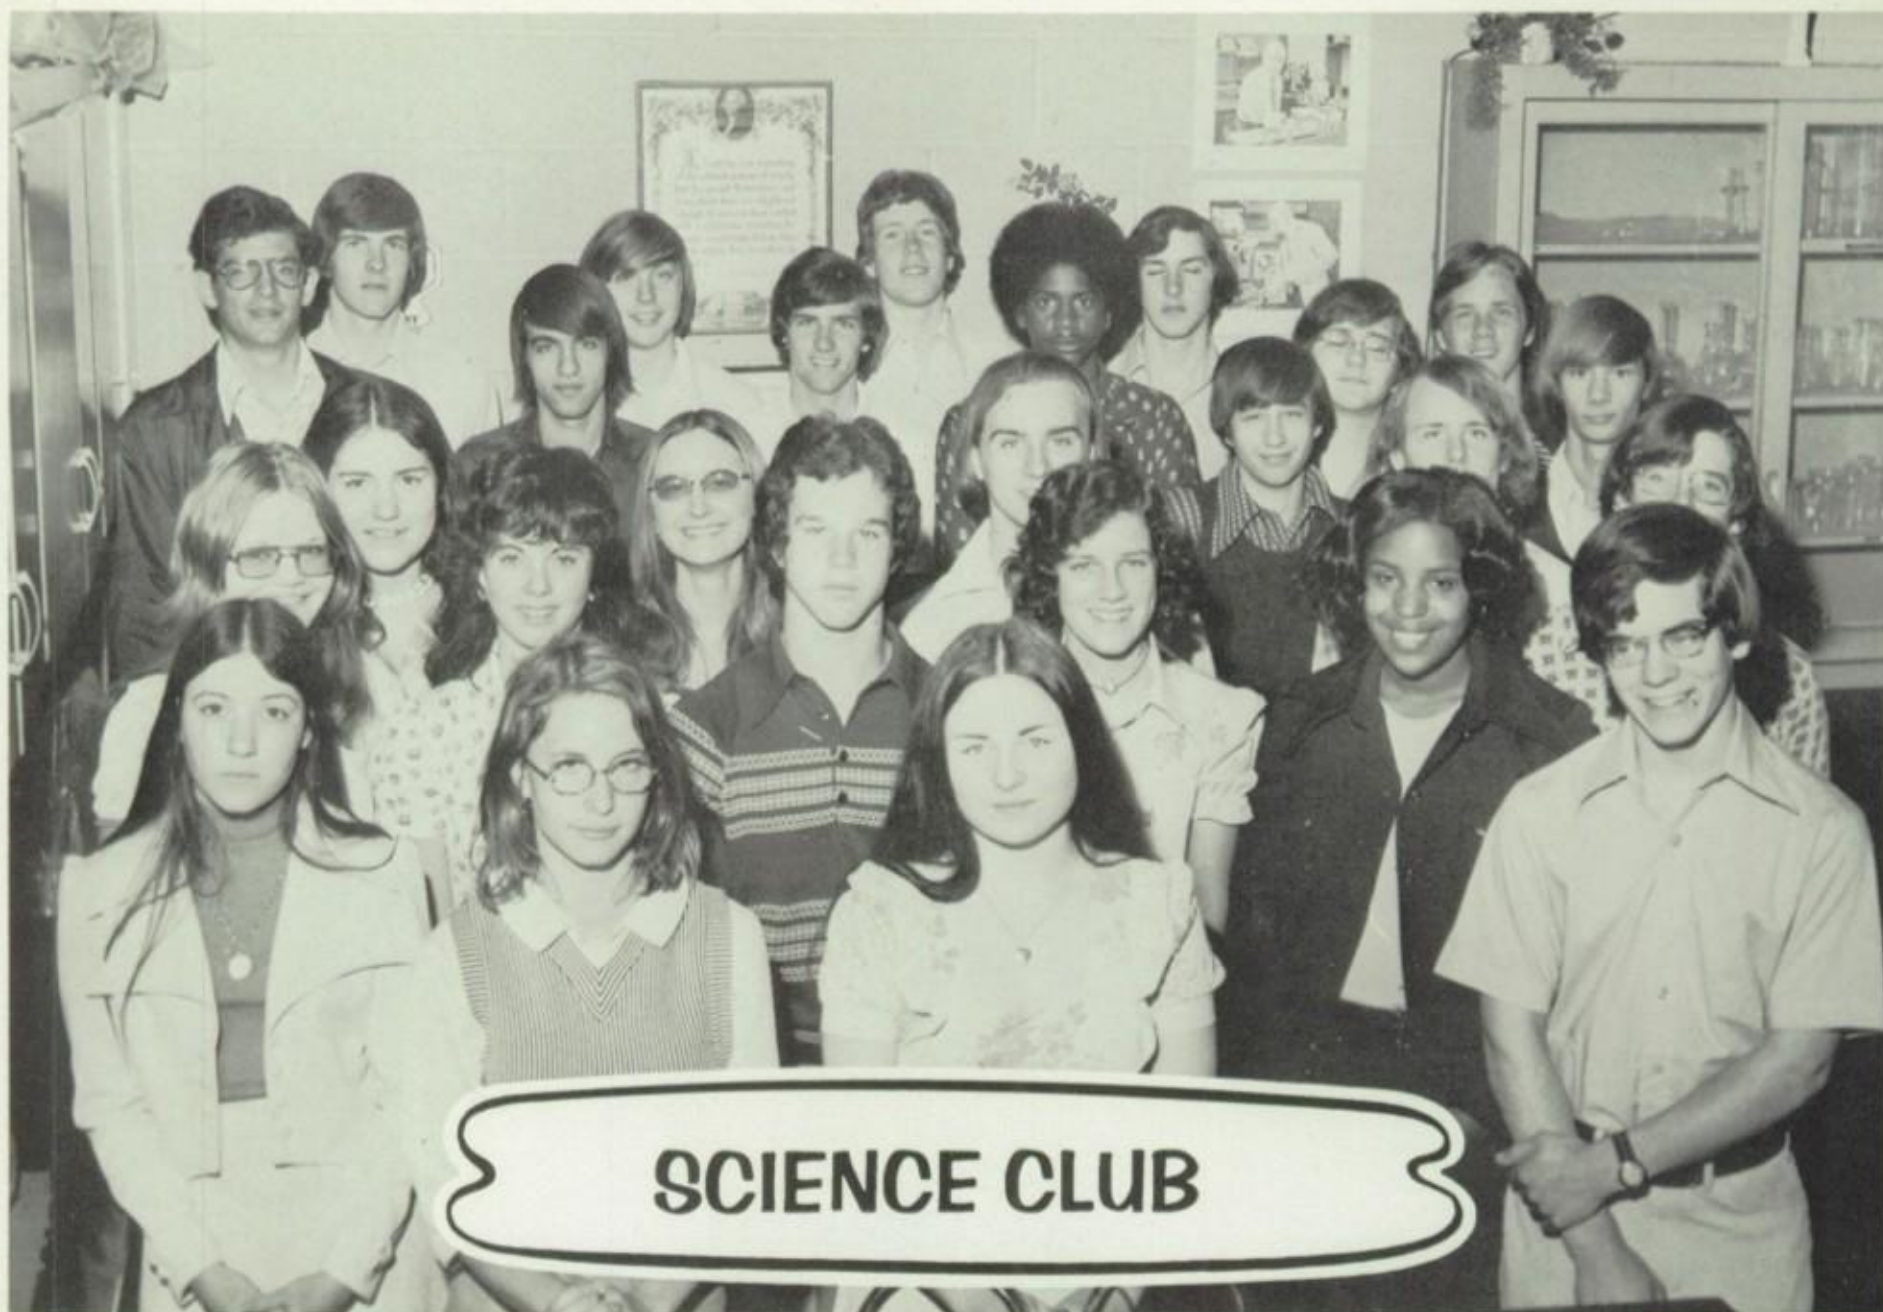

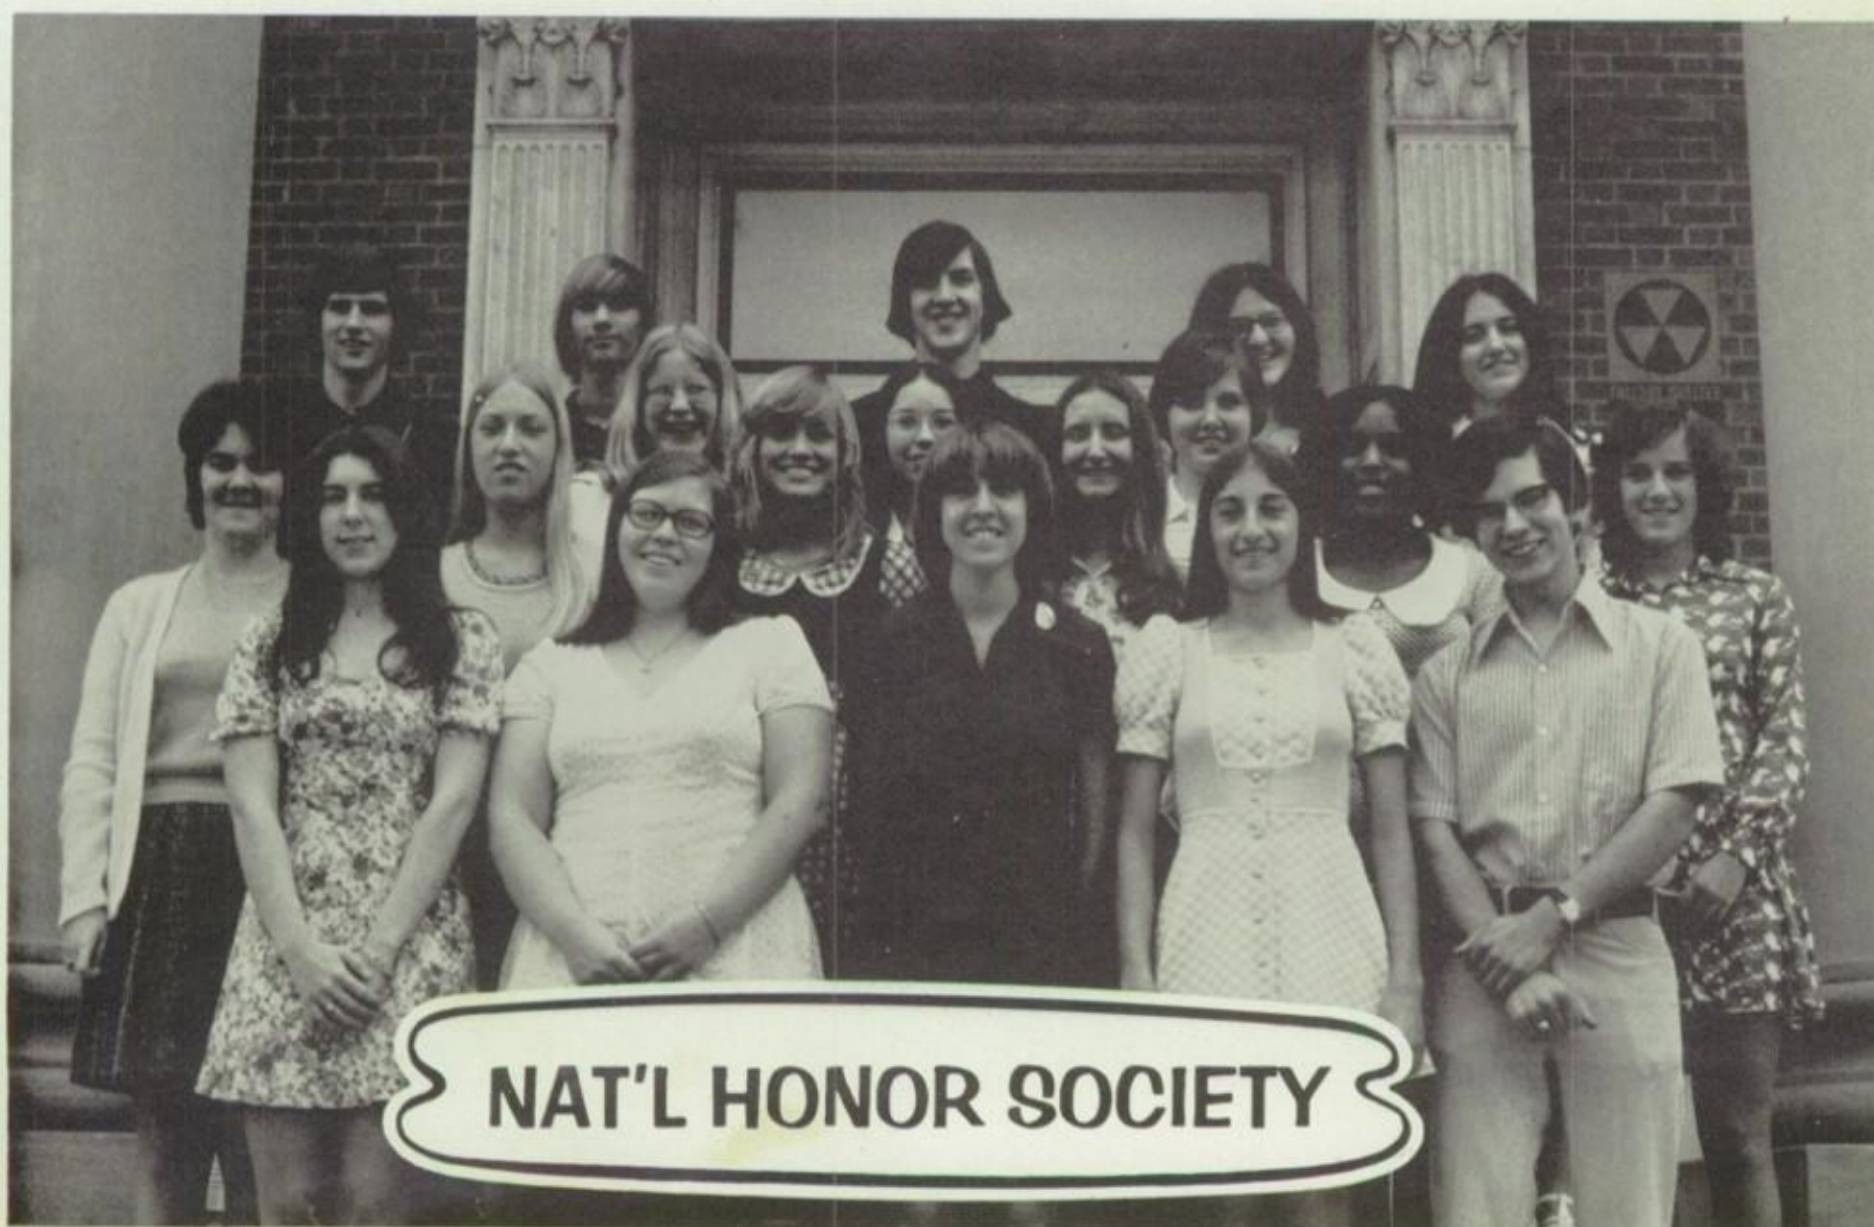

The 1973-74 Key Club enjoyed prosperity under the leadership of Greg George - President, John Fattaleh - Vice-President, Tom Soltis - Secretary and Mike Conaty - Treasurer. Key Club is a service organization sponsored by Kiwanis International. The St. Joseph chapter's sponsor is the Huntington Downtown Kiwanis Club.

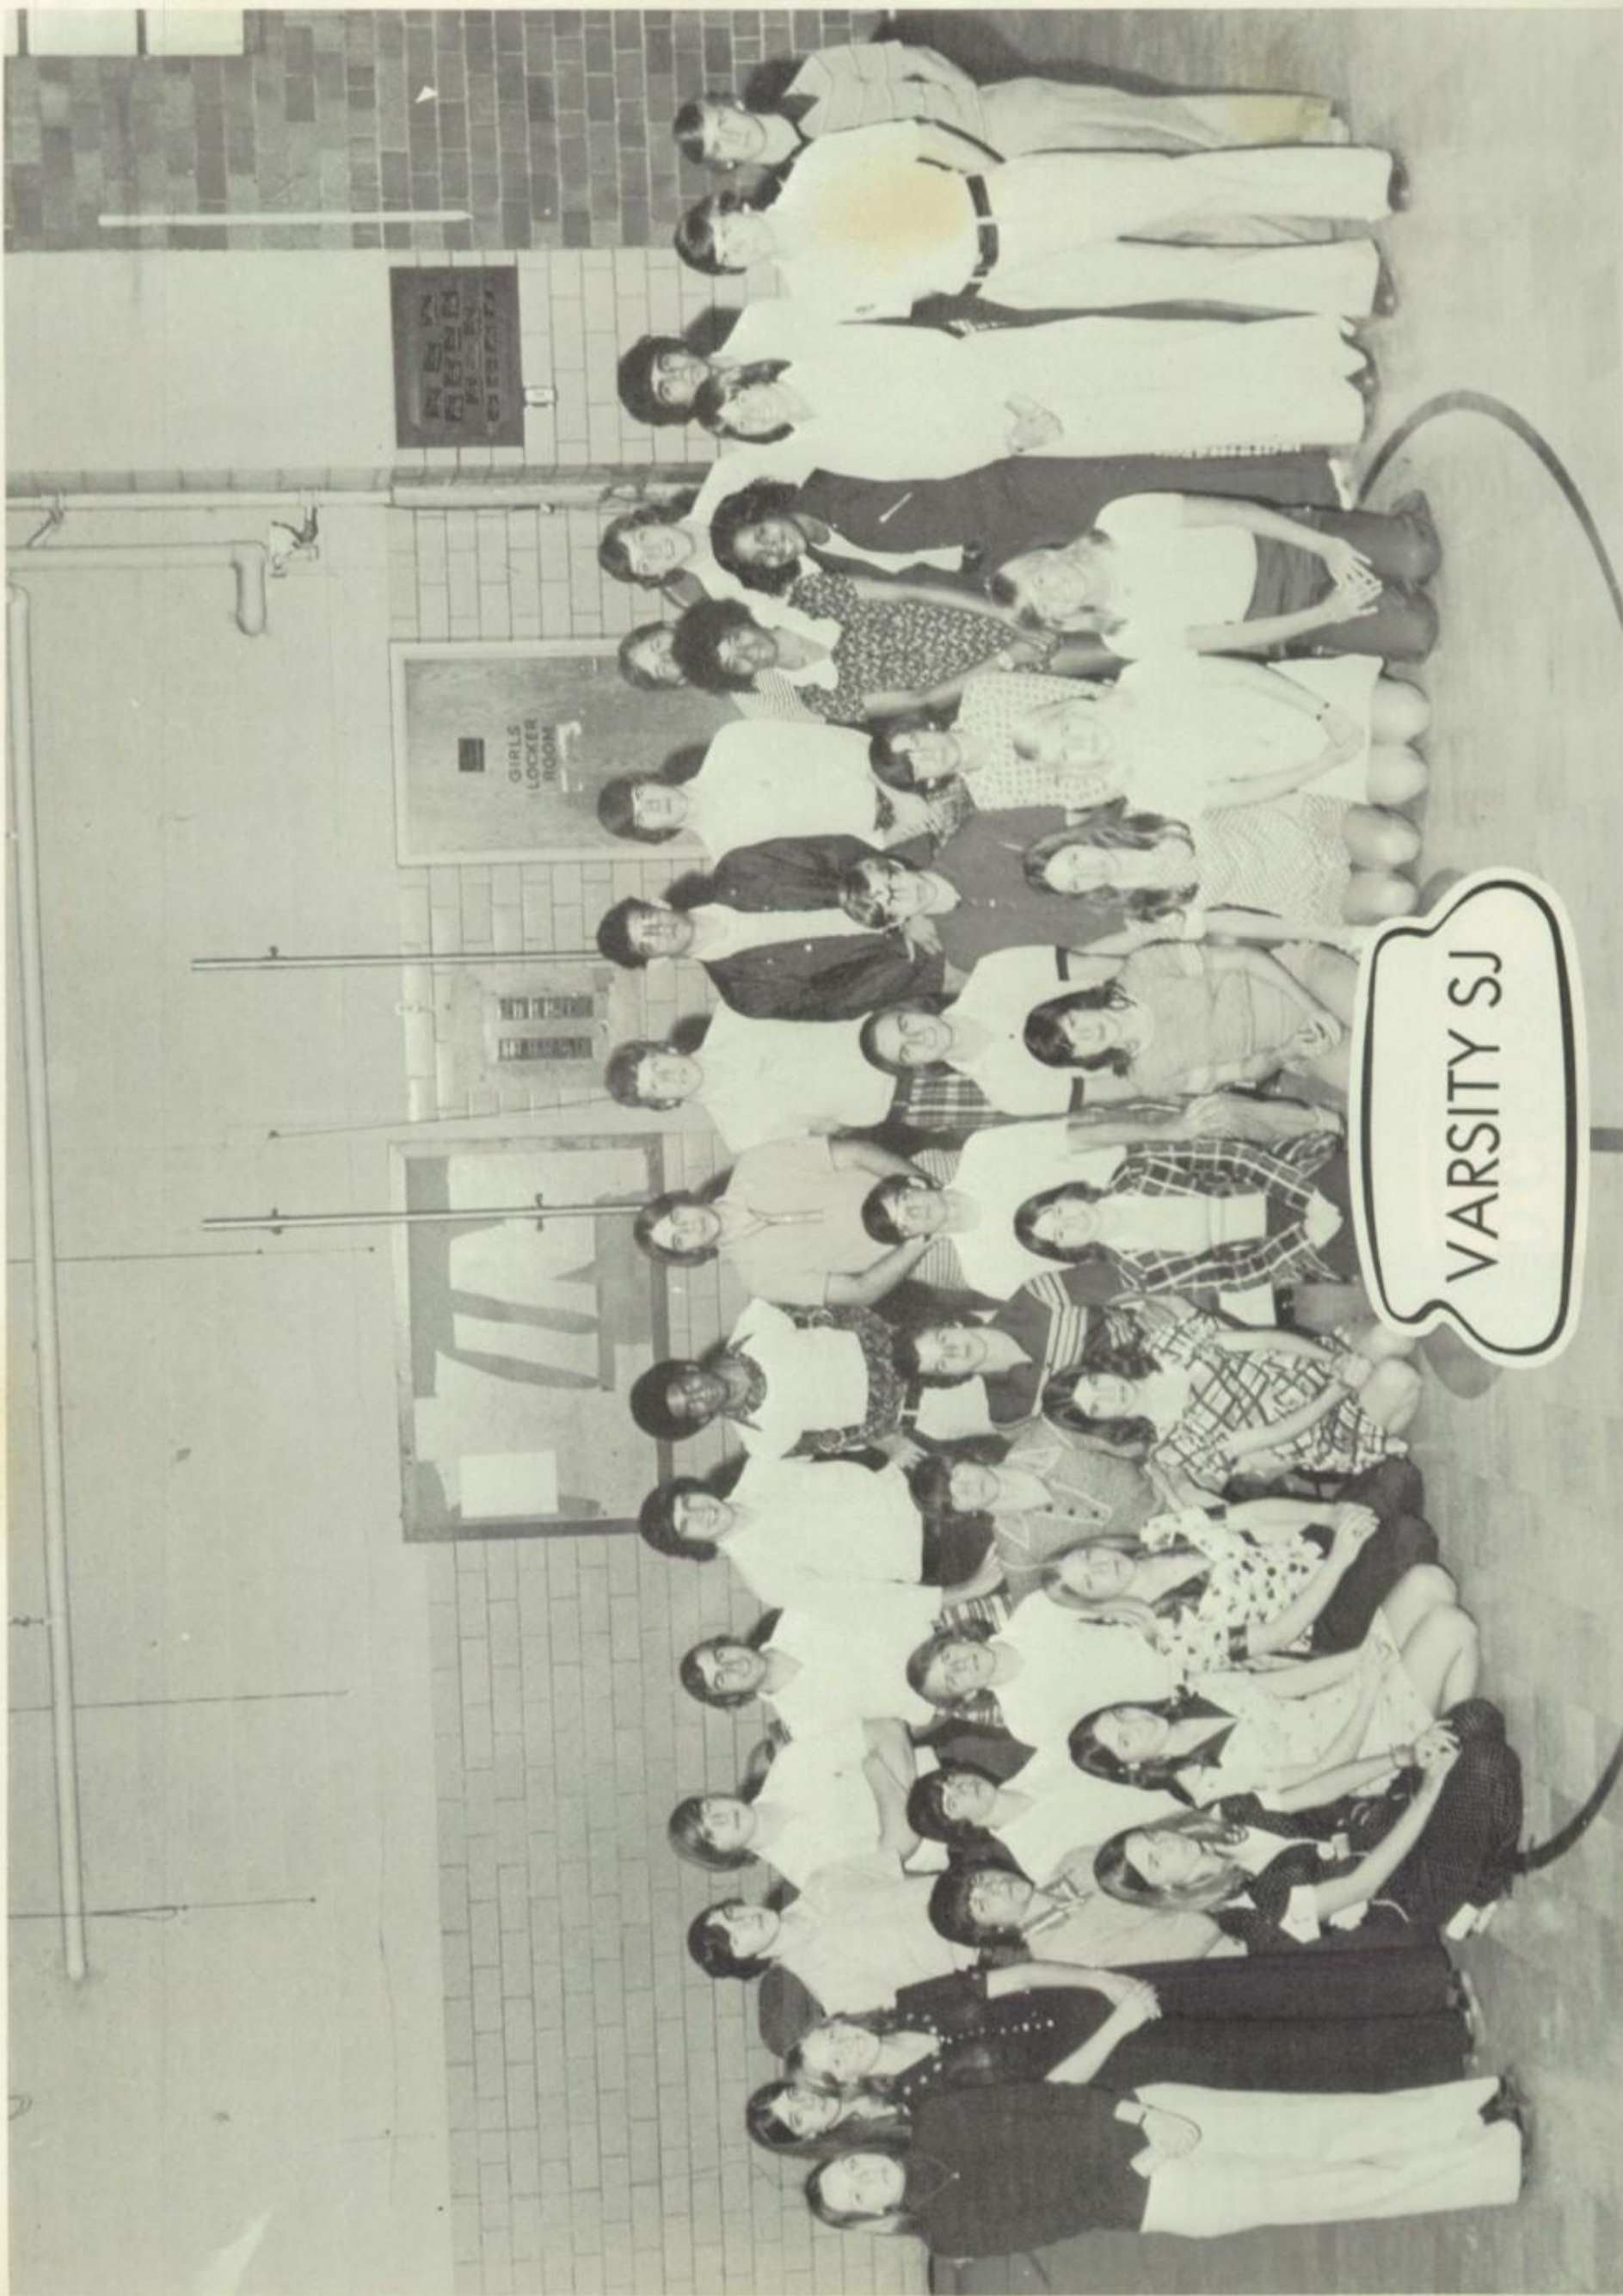

**DISTRICT OFFICERS**  
Outgoing LT. GOV., Tim Meisel congratulates the new Treasurer, Craig Spicer.

The Keyette Club of St. Joseph Central High School, while not accomplishing all that they had anticipated, did perform vital services to their school, church, and community. Twenty-two conscientious young ladies volunteered their time to help others less fortunate than themselves. Some of the services executed this year were aiding the patients of the State Hospital in attending religious services, collecting for Stella Fuller during the Christmas season, and for the Heart Fund, and serving a spaghetti dinner which was in conjunction with the St. Joseph Grade School Festival on May 4.

The 74 Senior Class took matters into their own hands concerning the class trip. We decided to go to Virginia Beach. The bus rolled along quietly at times, but at others, it was the loudest thing on wheels! We spent a long day in Colonial Williamsburg and three days and four nights in our oceanfront rooms. There were many good times but the most important thing that happened was that we shared with, and loved one another as never before. Time fades away but the memories of this trip will linger on forever in our hearts.

#### SWIM TEAM

TOP: Tom Maguire, Greg George, Sam McMorrow.

MIDDLE: Mike Conaty, Brian Conaty, Ralph Webb, Billy DeBord.

BOTTOM: Barty Mattingly, Kath Webb, Amy Imperi, Beth Woelfel, Mary Vega, Mary Jo Anderson.

The swim team this year has shown a good improvement since last year. They gained their recognition by winning second place in the State Catholic Swim Meet. We take pride in sophomore, Mary Vega, who won the girl's high point trophy this year.

The swim team practiced diligently to bring about these good results. Let's hope that this year's improvement will continue through the coming year.

#### BOYS TENNIS TEAM

KNEELING: Ernie Brumfield, Richard Loeser and Robert Woelfel.

STANDING: Mark George, Tim Meisel, Danny Frank, and Tim Tierney.

The boys tennis team showed outstanding ability during the season. This year, as well as the past three years, they have taken first place in the State Catholic Tennis Tournament.

Robert Woelfel earned his fourth straight title in No. 1 singles and Tim Meisel also won his fourth consecutive state crown. Both are undefeated in tournament play.

#### GIRLS TENNIS TEAM

FRONT: Edna Fattelah, Amy Houvaras, Mary Vega, Ann Tierney, Kathleen Webb.

BACK: Marsha Mattingly, Ellen Watts, Fannette Thornhill, Mary Jo Anderson, Patty Tyson.

The co-captains of the girls tennis team, Marsha Mattingly and Kath Webb, scheduled matches with other schools this past year, but unfortunately, many were rained out.

The girls share success along with the boys and the school is equally proud.

#### BOWLING TEAM

John Fattaleh, Richard Burks, Leanne Imperi, Cathy Reisen, Sidney Torlone, Eddie Muth, Chuck Muth, Ronald Stanek, Dave Bleckick, John Graziano, Ann Tierney, Mary Battista, Martha Byrd, Michelle Killeen, Paul Muth, Danny Frank, Ray Setter, Tom Dury, Donna Stanek, John Wills, Bart Bartholomew, Billy DeBord, Theresa Kimler, Connie Morabito.

#### BASEBALL '74

BOTTOM LEFT, RIGHT: Paul Muth, Manuel Molina, Jim Weiler, Chuck Robateau, Frank Bockway, Charles Muth.

MIDDLE LEFT, RIGHT: Steve Eschleman, David Ray, Eddie Moss, Dick Powers, Bob Raynes.

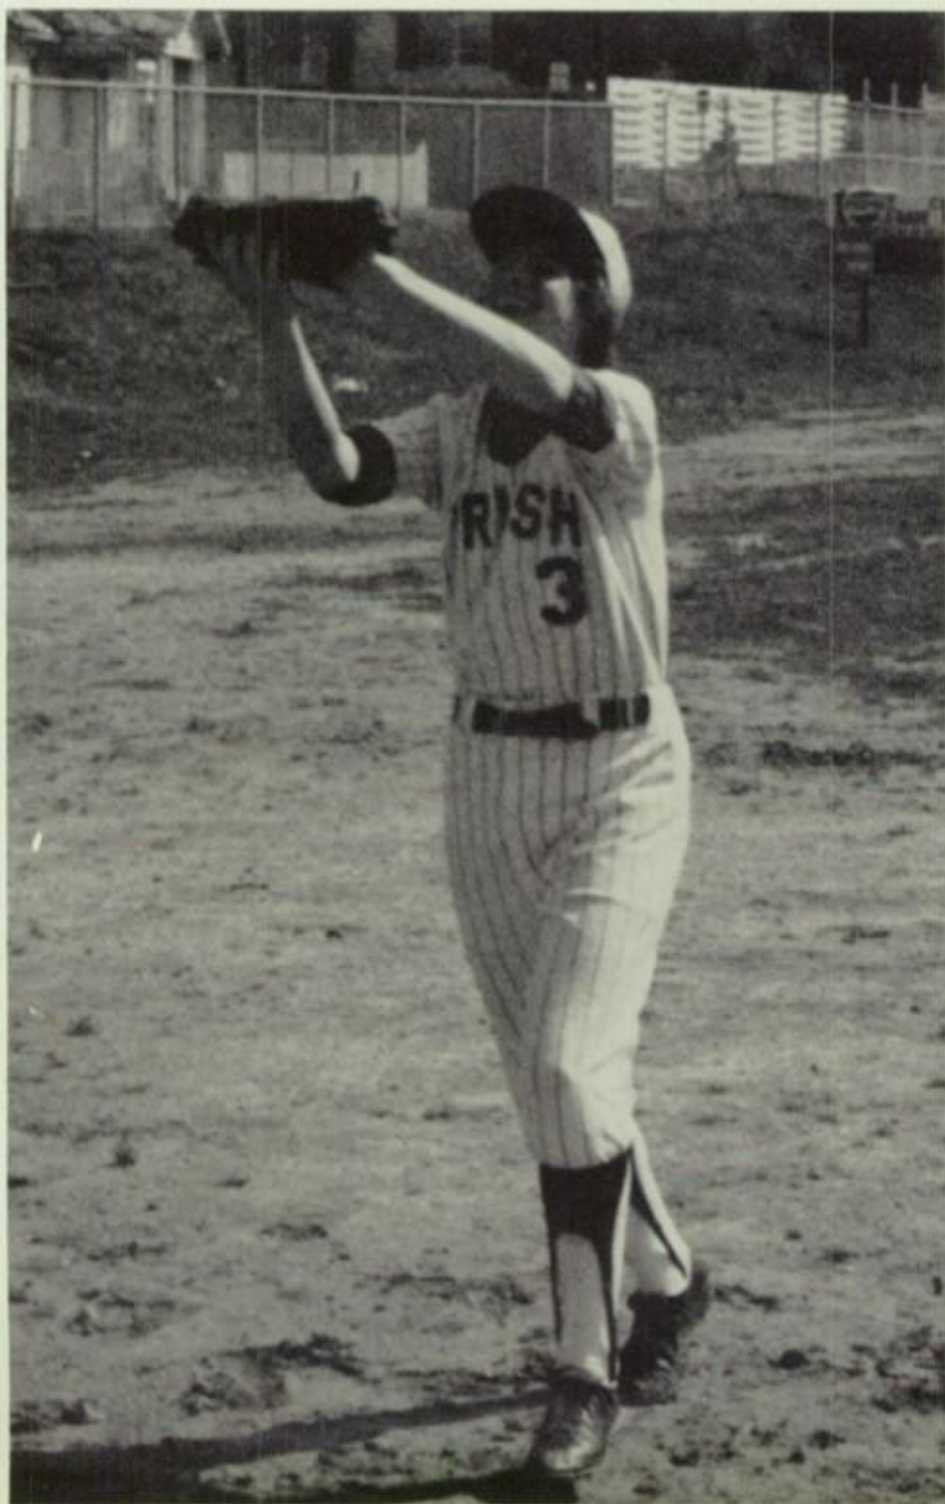

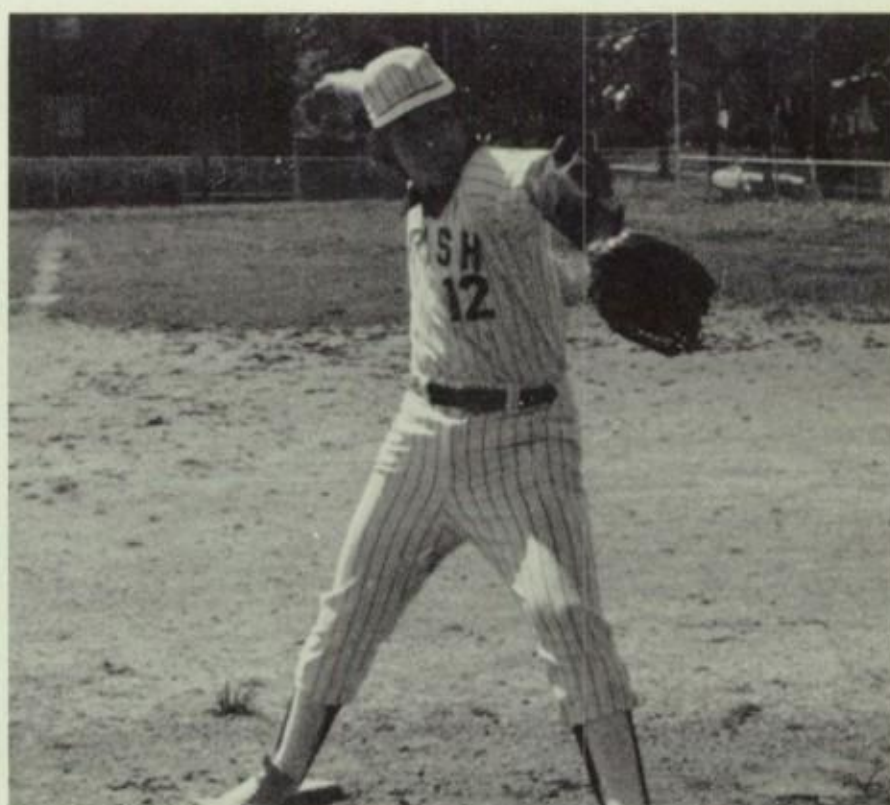

TOP LEFT, RIGHT: Pat Crickard, Mark George, Louie Molina, Ronald Stanek.

On March 12, baseball practice for the 1974 season began at St. Joe. After two weeks of hard work, the squad, with four Juniors, eight Sophomores and three Freshmen, began a 16 game Cabell-Wayne schedule.

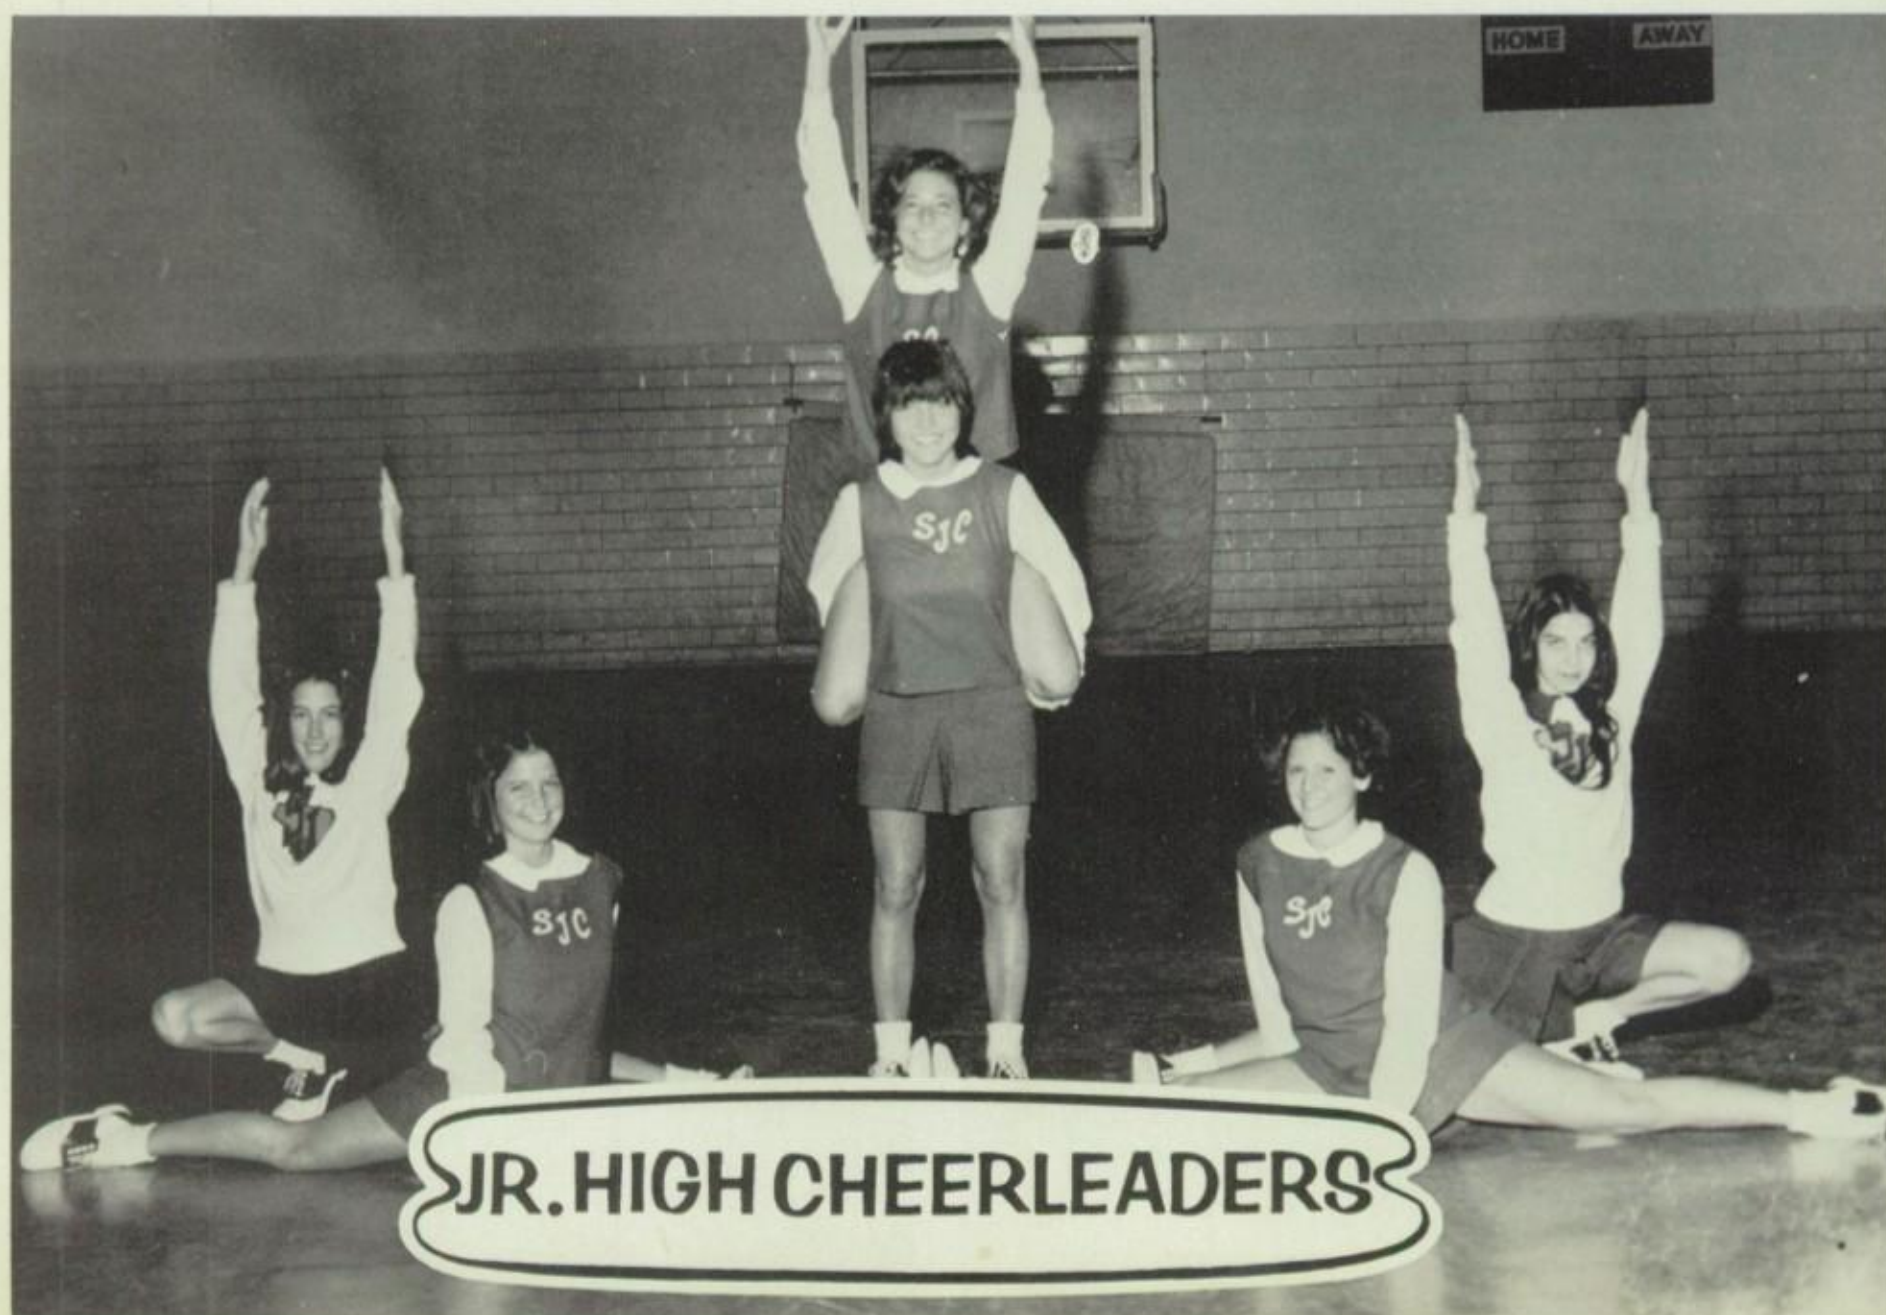

Inexperience was the biggest obstacle; the team took their lumps early. They improved with every game and pointed toward the State Tournament held in May.

#### GIRL'S BASKETBALL

FIRST ROW: Lynne McBrown, Mary Jane Mullarky, Amy Torlone, Amy Imperi, Carol Heatherman.

STANDING: Coach Gloria Taylor, Fannette Thornhill, Shirley Waters, Lee Ann Imperi, Crystal Powell, Donna Brooks, Jane Exner, Kath Webb, Barty Mattingly, Snookie Hill, Mary Battista.

The girl's basketball team was originated this year. The fifteen girls were coached by Gloria Taylor, a former student. Although the team never had a victory we are all sure they will improve as the years pass on.

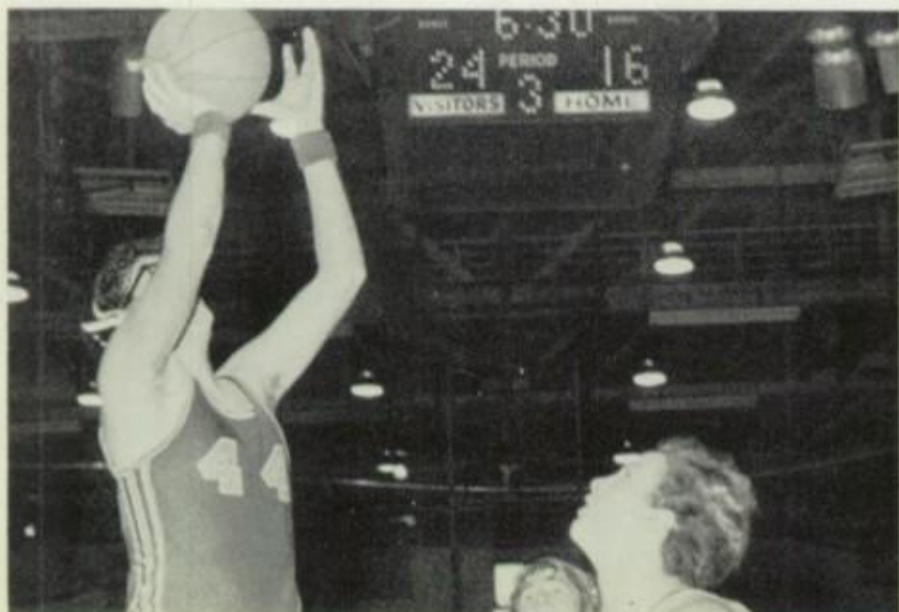

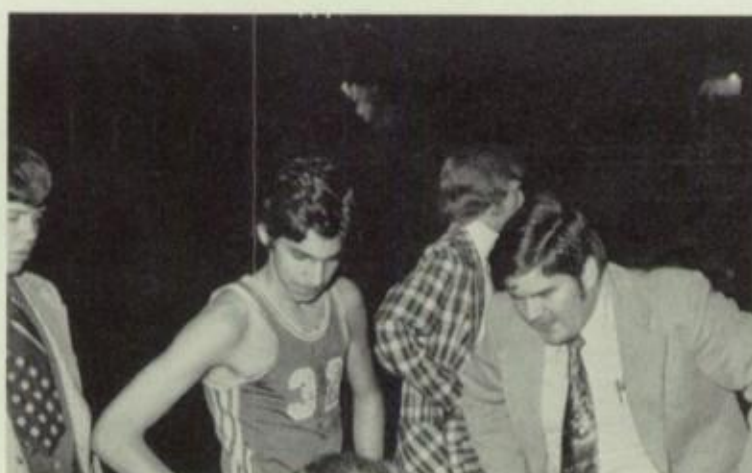

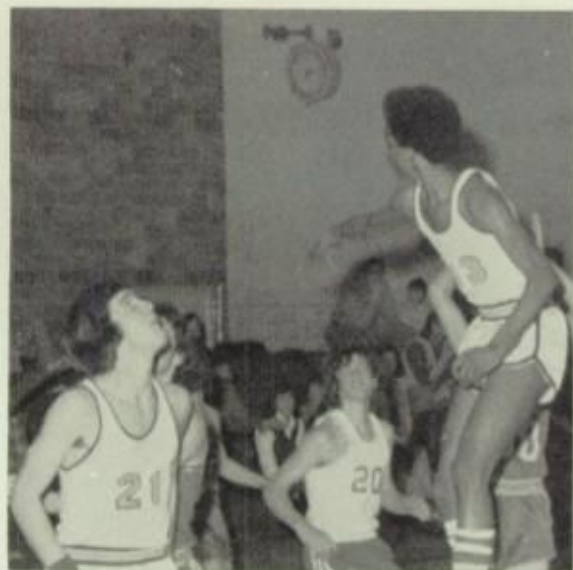

TOP: Craig Spicer, Pat Crickard, Roger Foley.

MIDDLE: Steve Eschleman, Pete Muth, Jim Weiler, Mark George.

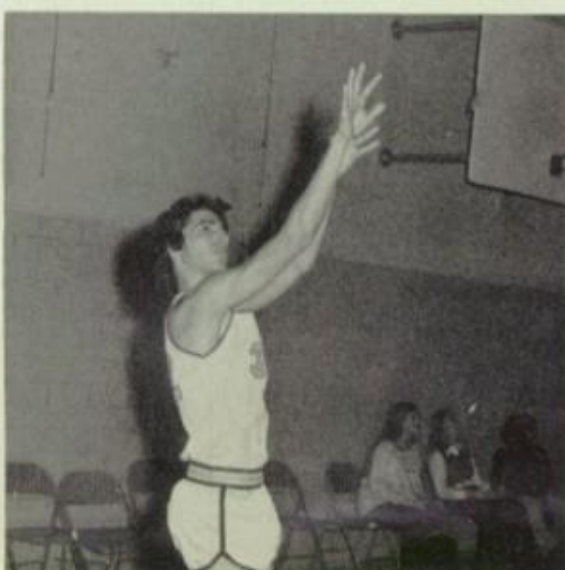

BOTTOM: Roman Williamson, Michael Brown, David Ray, Joey Bronosky, Bob Raynes.

## WE LOVE OUR "B" TEAM

In the past two years the junior varsity has shown great improvement with the dedication and desire of Coach Larry Morgan and especially the hard work of the team. The 73-74 season showed the result of coaching and teamwork. They ended the year with an impressive 14-9 record.

#### VARSITY CHEERLEADERS

BOTTOM: Penny Quinlan, Edith Battista, Sylvia Robateau.

Our team plays one of the toughest schedules in the State. We are rated as a Single A team with most of our rivals being Triple A.

The season held many highlights mingled with some downfalls, but our Irish spirit remained intact.

EAT 'EM UP! EAT 'EM UP!

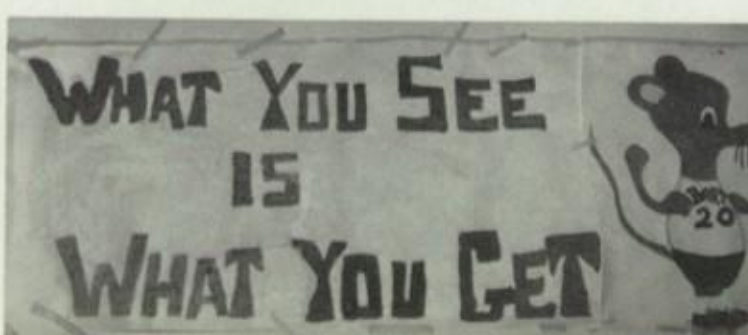

Basketball is the biggest and the most popular activity at St. Joe. Almost everyone, both students and alumnus, focus their attention on the season schedule of the Fighting Irish. Our school is famous for producing talented basketball players. Every year we have been a tough competitor in the State Tournament as well as in regular area high school games. This year is no exception. Though our record is not a winning one - we honor our team as "champs" and highly praise them.

As tournament drew near, the student body participated in a series of special days to arouse spirit. On Blue and Gold Day, everyone dressed in blue and gold, the school colors. On Irish Day, the pupils dressed in green. Next was the Fifties Day, with a Sock Hop in the gym. The day before tournament, the Seniors entertained the student body with their skit "Win The Tourney." The cheerleaders led the assembly with the tournament theme in the gym, which was decorated with posters by the Juniors. During the past days, daily practices were held by the Pep Club.

## *A class prophecy*

Ten years from now, when you pick up this annual, you will have access to at least 15 new electric appliances that don't even exist today!

Electrical innovations will "make the scene" (as we say in 1974) to benefit health, education, industry and our social lives. You'll also see in the next decade more electronic equipment to purify, filter, recycle and generally clean up America.

Electricity is doing a lot of things for you now. It's going to do a lot more tomorrow. Our prediction: Life will keep on getting better — electrically.
